Five and a half years ago when I was researching the idea of Bhukkad somebody asked me to meet this guy and get his advice on the food industry. He sells Bombay sandwiches at Raja Market just off Avenue Road. He has been selling these sandwiches for the last 30 years and had a lot of wisdom to share with me.

search

The diagram consists of three vertical red lines representing time markers. Between the first and second lines, the text "Conference Call" is centered above the time "14.11.16 01:30". Between the second and third lines, the text "Conference Call" is centered above the same time "14.11.16 01:30". To the right of the third line, the text "Conference Call" is centered above the same time "14.11.16 01:30".
